GUARANTEE CERTIFICATE

MEISINGER
IMPLANTS

The guarantee applies to the OKTAGON® Implant System from MEISINGER IMPLANTS GmbH and includes a lifetime guarantee on all implants in the OKTAGON® product portfolio, as well as a ten-year guarantee on OKTAGON® abutments.

The guarantee covers manufacturing and material defects. Free implant replacement is provided by MEISINGER IMPLANTS GmbH without further additional costs.

No new guarantee or extension of the guarantee is associated with the guarantee service.

OKTAGON® IMPLANTS WITH LIFETIME GUARANTEE

OKTAGON® ABUTMENTS WITH TEN-YEARS GUARANTEE

No guarantee is provided in case of:

- Implant loss in the case of immediate restorations or due to external influences (accidents, trauma, incorrect treatment, etc.)
- Implant loss due to non-observance of contraindications (taking medication, drug and alcohol abuse, tobacco consumption, metabolic diseases, etc.)
- Failure of third-party products (e.g. due to material or manufacturing defects)
- Custom-made products or modified products

Further claims and consequential damages such as laboratory costs and clinical follow-up treatments are excluded from the guarantee.

This voluntary guarantee is in addition to the statutory guarantee claims and product liability and does not affect them. Our general terms and conditions shall apply in addition.
